Discover your Isle of Man

The epitome of a heritage railway...

Sometimes the best discoveries are right under your nose. Lying at the heart of the British Isles, the Isle of Man is both familiar and a world apart. Timelessly beautiful, with a character and spirit all of its own.

Whatever you want from your days out – heritage, local produce, adventure, nature, relaxation or fun with your family – you will find it here in the Isle of Man. Thanks to our unique Victorian railways and comprehensive bus service, it couldn't be easier to get around.

Find out more about the Isle of Man at www.visitisleofman.com

Explore with Heritage Railways

Start by taking the steam train south to **Castle Rushen** – one of the best preserved medieval castles in Europe. Close to the castle, visitors can enjoy an interactive sitting at the **Old House of Keys**, or stroll along to **The Nautical Museum**, which provides a fine introduction to the Island's maritime heritage. A few miles away at **Cregneash**, visitors can discover how Manx crofters once lived. Meanwhile, the Island's industrial past unfolds in Laxey at the foot of our most famous landmark of all, **The Great Laxey Wheel**. Accessible via the Manx Electric Railway, it is easy to explore the mining heritage at Laxey along with the delightful beach and harbour in Old Laxey. Many other heritage sites – such as Ramsey's **Milntown House** and **The Grove Museum of Victorian Life** – are also easily reached by tram.

When not exploring with the Island's railways, why not hop on a bus from any of the main stations and discover more amazing places? Iconic **Peel Castle**, the windswept Viking stronghold on St Patrick's Isle, is an absolute must and, whilst in Peel, be sure to make time for the award-winning **House of Manannan**.

Our Railways

Manx Electric Railway

Exploring the north of the Island is still possible in Victorian style with our charming electric tramcars. The 17 ½ mile route from Douglas to Ramsey is the most scenic tram ride in the British Isles. It hugs the Island's east coast, passing through gorse topped hills, glorious glens and spectacular coastal scenery.

OPERATING DATES: 14 MARCH – 29 OCTOBER 2023

Snaefell Mountain Railway

Alight at Laxey station to change to the Snaefell Mountain Railway – a unique Victorian enterprise. Built in 1895 and famously completed in just seven months, the railway winds from Laxey village to the summit of Snaefell, the Island's only mountain, where breathtaking views await. It is said that from here, you can see seven kingdoms - Mann, England, Ireland, Scotland, Wales, Heaven and Neptune's Realm.

OPERATING DATES: 18 MARCH – 29 OCTOBER 2023

Isle of Man Steam Railway

Dating back to 1873 the Steam Railway line still runs on one of its original sections; Douglas to Port Erin. The 15 ½ miles from Douglas to Port Erin opened in 1874 and is arguably the oldest narrow gauge railway in continuous operation in the British Isles. The railway still uses the original locomotives and rolling stock. Steaming gently through beautiful countryside watching the train's 'breath' drift by is a timeless experience for people travelling and visitors of all ages. You can learn more about the fascinating history of this railway at the Port Erin Railway Museum (FREE ENTRY) located next to the Station.

OPERATING DATES: 10 MARCH – 29 OCTOBER 2023

Douglas Bay Horse Tramway

Built in 1876 the Douglas Bay Horse Tramway runs along Douglas Promenade from Broadway opposite the Villa Marina to Derby Castle where you can connect with The Manx Electric Railway. A journey along the Promenade on the world's oldest continually operational horse tramway is a must for families, visitors and enthusiasts alike. Take time to absorb the views of the majestic Victorian facades and Douglas Bay.

OPERATING DATES: 6 APRIL – 29 OCTOBER 2023

Planning your day out...

North by Electric

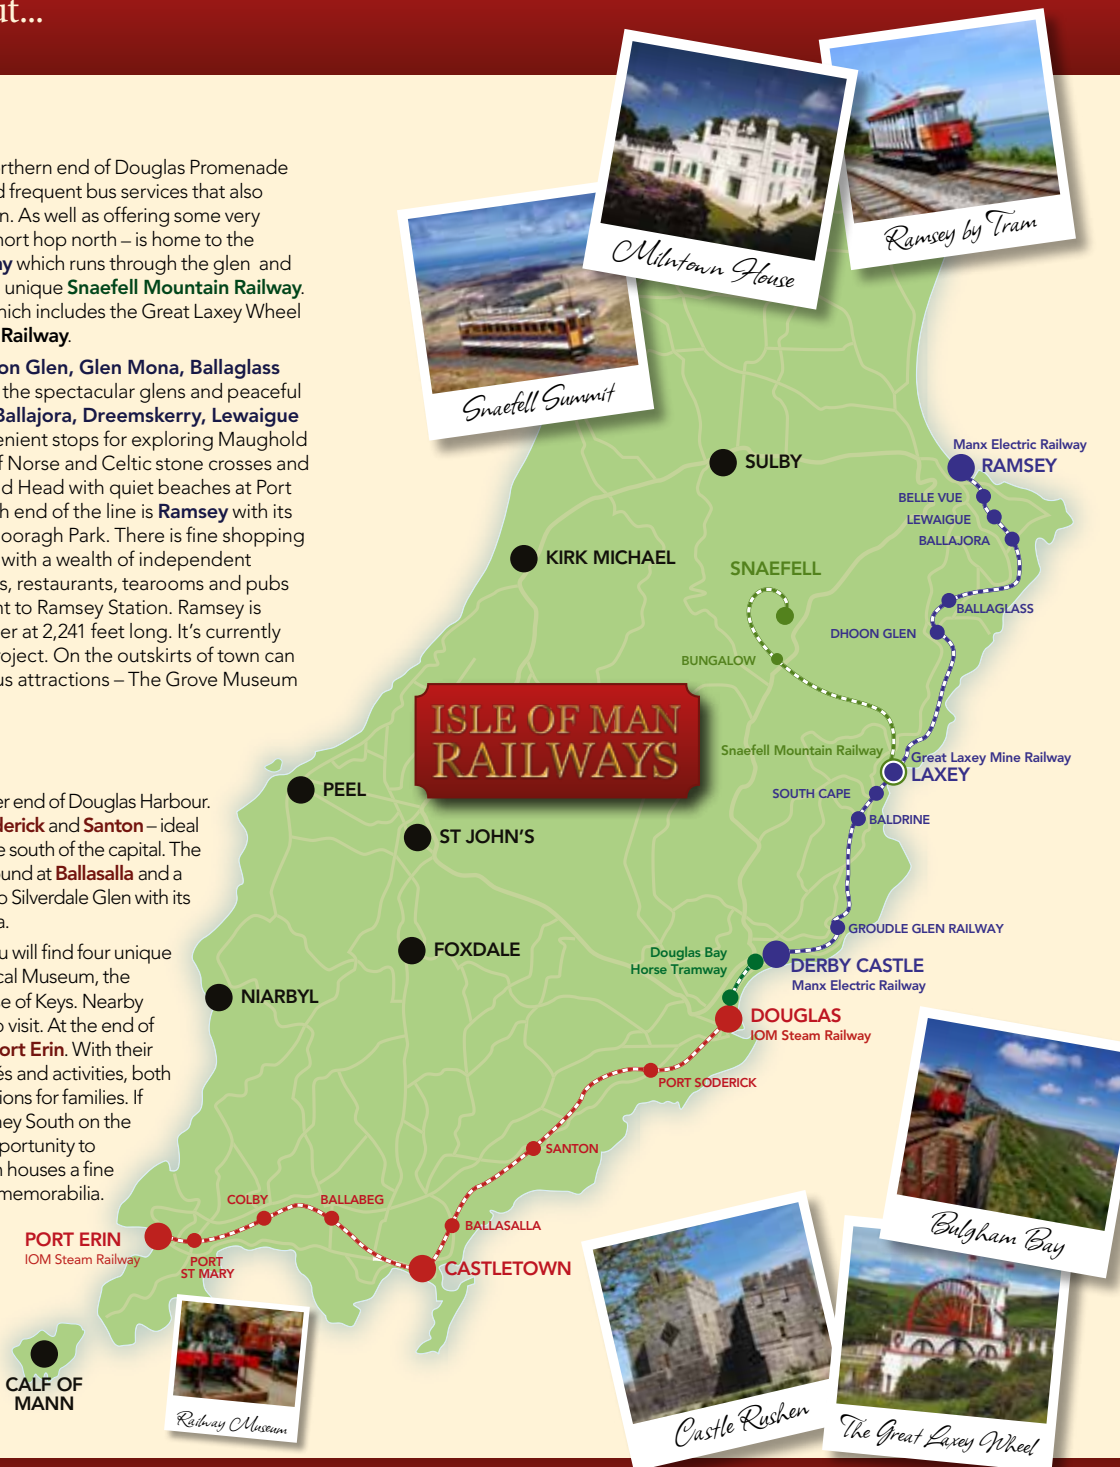

The **Derby Castle** terminus is at the northern end of Douglas Promenade and is served by the horse tramway and frequent bus services that also connect with the **Steam Railway** station. As well as offering some very pleasant walks, Groudle Glen – just a short hop north – is home to the lovingly restored **Groudle Glen Railway** which runs through the glen and out to the coast. Alight at **Laxey** for the unique **Snaefell Mountain Railway**. Laxey is also home to the Mines Trail which includes the Great Laxey Wheel and the fascinating **Great Laxey Mine Railway**.

North of Laxey, the tram stops at **Dhoon Glen**, **Glen Mona**, **Ballaglass** and **Cornaa**; all are ideal for exploring the spectacular glens and peaceful beaches along the coast. Further on, **Ballajora**, **Dreemskerry**, **Lewaigue** and **Belle Vue** provide the most convenient stops for exploring Maughold Church home to a unique collection of Norse and Celtic stone crosses and the rugged coastline around Maughold Head with quiet beaches at Port Mooar and Port Lewaigue. At the north end of the line is **Ramsey** with its impressive Victorian boating lake at Mooragh Park. There is fine shopping in the narrow streets near the harbour with a wealth of independent retailers, plus a good selection of cafés, restaurants, tearooms and pubs including Fynoderee Distillery adjacent to Ramsey Station. Ramsey is also home to the imposing Queen's Pier at 2,241 feet long. It's currently undergoing a long term restoration project. On the outskirts of town can be found two more of Ramsey's famous attractions – The Grove Museum of Victorian Life and Milntown House.

South by Steam

Douglas Station can be found at the inner end of Douglas Harbour. From here it's just a short trip to **Port Soderick** and **Santon** – ideal stops for exploring the dramatic coastline south of the capital. The ancient monastery of Rushen Abbey is found at **Ballasalla** and a leisurely stroll along the river brings you to Silverdale Glen with its café, boating lake and children's play area.

Further along the line at **Castletown** you will find four unique heritage sites; Castle Rushen, the Nautical Museum, the Old Grammar School and the Old House of Keys. Nearby there are shops, pubs and restaurants to visit. At the end of the line you will find **Port St Mary** and **Port Erin**. With their sandy beaches, sheltered harbours, cafés and activities, both villages have become favourite destinations for families. If you want to learn more about your journey South on the Steam Railway then why not take the opportunity to visit the Port Erin Railway museum which houses a fine collection of locomotives, coaches and memorabilia.

THE GREAT LAXEY MINE RAILWAY

The Great Laxey Mine Railway offers a fascinating glimpse into the Island's industrial past. The line is found in the Valley Gardens just a short walk from Laxey Tram Station and trains run every few minutes from 11.00am to 4.30pm. The railway operates every Saturday until the end of September.

Replicas of the original Ant and Bee locomotives run on a 19 inch gauge tramway that used to go 1½ miles into the Great Laxey Mine, one of the richest lead mines in Britain in the 1870s. Volunteers have restored the surface section of the Great Laxey Mine Railway and the railway is now the sole user in the British Isles of this unusual gauge.
