How to use this Journey Planner & Timetables

Finding the bus route

First take a look at the map pages (8-13 and back page). Buses serve most parts of the Island. Each route has been given a colour in this journey planner so you can more easily find the timetable for a bus route by its colour. There is one map for the whole Island and more detailed maps for the main towns.

Following the timetables

We use the 24 hour clock for the avoidance of any confusion. Buses regularly operate between 0509 hours and 0128 (5.09am through to 1.28am). Symbols are used to indicate where a bus route passes a Manx National Heritage site, a railway station, the airport or a hospital. Some routes operate on school days only (**Sch**) or when schools are closed (**NSch**). See next block for the list of symbols used throughout this book. School term dates can be found on the inside front cover.

Bus stops in both directions

Where you see this information on a bus stop, please wait on the opposite side of the road for buses going in that direction.

The times in this guide use the 24 hour clock

Please note: additional symbols are listed under each individual timetable when used.

If there is no time against a particular stop, this indicates that this particular journey does not serve that stop.

Isle of Man Transport operates bus services across the Island under the brand **bus vannin** and 38 miles of heritage railways comprising the Steam Railway, Manx Electric Railway, Snaefell Mountain Railway and the Douglas Bay Horse Tramway.

Wherever you are going... we are going too

We are working to keep the Island moving by delivering an integrated network of road and rail passenger transport. Our modern buses are comfortable and fully accessible. For more information on accessibility visit our website: www.bus.im

Visiting the Island

The simplest way for visitors to get a great sightseeing experience of the Island is to hop on board one of our buses or heritage railways.

Lost property

If you leave something on a bus or a train, call **01624 662525** or email details to **publictransport@gov.im**, including a contact name and phone number. We retain lost property for 30 days. Perishable items are disposed of after 24 hours. More details can be found on our website.

All **bus vannin** and **Isle of Man Railways** services operate to our Conditions of Carriage, which may be viewed on our website or on request at main stations. Visit www.bus.im

The smart way to travel

Tourists and residents can travel seamlessly across all modes of transport and save money with our Go card range.

Contactless payments are accepted on all bus and heritage rail services.

Look out for special events on the railways and travel updates for bus and rail services posted on

www.bus.im and www.rail.im

We look forward to welcoming you on board!

We welcome your feedback

The bus and rail network is reviewed annually. We welcome all feedback about our services, routes and provision of customer information and facilities.

Go Cards

Smart travel cards branded as Go cards are available for all bus and rail journeys. Customers pre-purchasing journeys on Go cards benefit from reduced fares and also enable bus services to run more efficiently. Go cards can be purchased online or in person from the Welcome Centre in Douglas Sea Terminal, main railway stations and other outlets listed opposite and on our website.

Cards must be placed on the card reader on boarding a bus, train or tram to check the card's validity for period savers or to deduct journeys from multi journey cards. Most Go cards can be topped up with repeat products. Cards will automatically deactivate and become invalid if not used for 15 months. Full details with terms and conditions of use can be found in our Conditions of Carriage, available at www.bus.im.

Contactless is the fast, easy and secure way to pay for your tickets. All you need is a contactless enabled card or Apple or Android pay on your smart phone or watch. Alternatively, we still accept cash on our vehicles but it is increasingly difficult to give change for high volume notes, so if you have the correct amount it is always appreciated.

Go School

Children in full time education travelling between their home and IoM Government-run schools and colleges (aged up to 19) can travel at school fares on school days with a pre-paid **Go School** smart travel card. Those travelling to school without a card or at other times will have to pay the standard fare.

See our website for details of school fares and saver options for older students.

Go Platinum annual cards

Go Platinum cards provide 360 days of travel.

Go Platinum Bus cards provide 360 days of travel on all **bus vannin** services including Hullad Oie, Night Owls. Adult cards cost £850.

Go Platinum Reserve cards provide 360 days of travel on all IoM Transport scheduled bus and rail services plus admission to Manx National Heritage sites. Adult cards cost £930. See our website for details of availability.

Go Silver cards are available for eligible resident pensioners. Please note, off Island concessionary passes are not valid for use on IoM Transport services.

Go Gold cards are available for eligible residents and carers, and can only be issued with DHSC or Sight Matters authority.

The Smart Way to Travel in the North of the Island

ConnectVILLAGES operated by bus vannin is a unique bus service with no fixed ‘timetable’. Instead, it responds to passenger requests and it collects multiple passengers all heading in the same direction. Routes are different each day depending on the bookings made by passengers. This service is designed to improve transport in the north of the Island.

Where Can I Go?

ConnectVILLAGES currently operates between Andreas, Bride, Jurby, Sulby, Ramsey (including the Cottage Hospital) and Maughold village and can connect you to the bus vannin scheduled buses at the Wildlife Park and Ramsey Bus Station. You can travel anywhere within this area, or to a boundary where you can connect with a standard service bus.

Routes and times (apart from the Jurby - Ramsey **Flex Service**) vary from day to day depending on requests

How can I book:

ConnectVILLAGES is supported by a user friendly app called MANNgo. The system helps riders book, pay and track in real time our connectVILLAGES on-demand minibus service. Just search ‘MANNgo’ in the app store or google play store and tap the download icon. Open the app, press ‘get started’ and enter your information and book a ride.

For any further information call 01624 697440

What are the Hours?

Mondays to Fridays 0840–1900 and school holidays & Saturdays (NSch)* 0630-1900

*Excludes Sundays and Bank Holidays

Monday - Saturday Jurby **Flex Service**

Minibuses also have set times between Jurby Bretney / Threshold and Ramsey. All passengers waiting at the stops at these times will be collected and pre-booking is not necessary. Please see page 64 for times.

How Much Will It Cost?

Standard bus fares apply and we can accept contactless or cash. Valid Go cards accepted.
